### RESTAURANT

Located in San Diego, California, Iron Wok is South Bay's premier Asian dining destination. Our mix of authentic Southeast Asian dishes from China, Japan, Vietnam, Thailand and more, along with a full bar, private dining options, outdoor patio, specialty drinks, an attentive staff, live entertainment and inspiring Eastern décor offer guests a truly unique dining experience. Just like the philosophy of Feng Shui balances the five elements of life – fire, water, wood, metal, and earth—Iron Wok creates the perfect balance of ambiance, flavor and entertainment.

### CUISINE

Inspired by authentic recipes from China, Japan, Vietnam, Thailand and more, Iron Wok's cuisine features intensely-flavored offerings that highlight the emerging influence of Southeast Asia on today's modern dining. Premium herbs and spices are imported directly from Asia, and only the freshest ingredients are used. Dishes are served family style, the traditional way of dining in many Southeast Asian countries. Iron Wok's menu includes a variety of dishes cooked traditionally in giant woks, which sear in the clarity and distinctive flavors of each ingredient. Vegetarian dishes, authentic appetizers, and fresh desserts round out the plentiful choices.

### DRINKS

Iron Wok offers a full service bar with a wide array of domestic and imported beers, high quality sakes, top shelf spirits, cocktails, teas, cappuccinos and espresso. The extensive wine list features domestic and foreign top brand red, white and sparkling vintages.
